Solid Surfaces

STARON, a premium solid surface

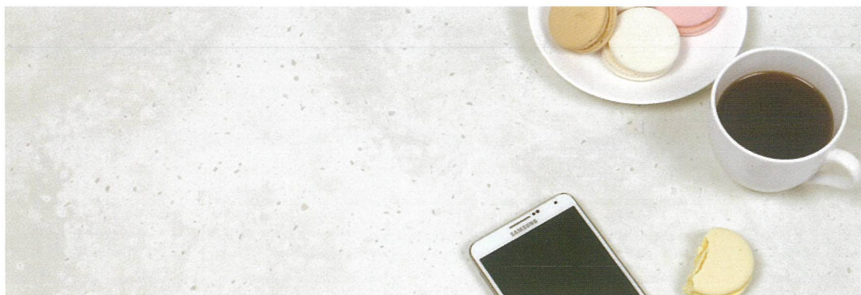

Staron, a high-performance acrylic solid surface, is known for its excellent workability and easy maintenance. Staron's internal composition is uniform and non-porous; its textures are elegant and stylish. Offering a wide variety of patterns and colors, Staron helps produce creative interior designs for kitchens, living rooms and bathrooms. Staron brands include Tempest, a transparent solid surface, and Supreme collection, known for its natural patterns.
